calls for certain particulars

From the Chairman Mysore Labour Housing Corporation
Letter No-93 LHC 485/55 dated 21 3 56
furnishing a reply in the matter

2) It is reported that as against a loan of Rs 1,40,000/ sanctioned to corporation in Govt LS 4739-823/Plng 385 2 dated 22 8 55, first instalment of ~~Rs 28,000~~ 28 000/ being 20% of the said loan, has been paid already, that as regards construction of 70 houses (7½ blocks of 4 units) the cost is Rs 1,40,000 (at Rs 8000/per block) and the cost of sites is Rs 28,000 (inclusive of layout charges), together make a total of Rs 1,68,000 and that 80% of that total amount of 1,68,000 is Rs 1,34,400 according to the scheme

28) It is further stated that instead of ~~Rs 1,40,000~~ loan sanctioned, a loan of Rs 1,43,000/- may be sanctioned based on the Corporation contribution of Rs 28,000/ It appears the sum mentioned ie 1,43,000 is not correct, but it is Rs 1,34,400 which is already calculated ~~by~~ as above The Engineer is stated to have been requested to execute necessary mortgage

2) The Chairman M d H C requests that subject to the alternation proposed in paragraph 1 above of the P.W.D, the proposal may be sanctioned the chairman may perhaps refer to the alteration in the loan amount ~~to be~~ of Rs 134,400/ to be treated to be as given instead of Rs 1,40,000 referred to in para (2) of P W D and not in para (1)

3) With the sanctioning of the ~~at~~ certain staff already - vide Govt 13789-92/Cmc 113-55-1 dated 27-8-56, the other points for orders are 1) Treating the cost of site and layout charges of Rs 28,000, as corporate share

2) Agreeing to repay the loan in 10 annual instalments ~~at~~ with interest at 4½ per annum

3) Requesting not to insist on the recovery of fee of Rs 10/ per house, as the construction would be undertaken by the corporation under the supervision of corporation Engineer

4) 70 houses i.e 17½ blocks of 4 units to be constructed at a cost of Rs 8000/ per block for orders with refer to paras (18) to (20) supra

31) There is discrepancy in the report of the chairman, L H C He says that accdg to the scheme the loan admissible for this work is only 80% of Rs 1,68,000 Viz Rs 1,34,400 He again says that instead of Rs 1,40,000 from usually allotted to the Bangalore corporation, a sum of Rs 1,43,000 only may be sanctioned This requires clarification

In para 4 of his report he further says that subject to the alternative proposals in paragraph 1 above (1 of this report) the proposal may be sanctioned He perhaps refers to the alternative proposals in para 2 & ~~limiting~~ Viz limiting the amount to Rs 1,34,400 (not para 1) This also requires clarification | | flg D

SUBJECT - Low Income Group Housing Scheme - Allotment of Funds

With reference to your letter No A 6-Pr 24/55-56 dated 7-9-1955, I forward herewith two sets of detailed estimates for the buildings with sets of plans and layout plans and a note

It is proposed to construct the houses in Bethal Hall Layout and Pottery Town Layout as per the layout plans enclosed The sites belong to the Corporation and the cost of those sites including the layout expenditure will be treated as Corporation share towards the construction of houses Hence the sum of Rs 1 4 lakhs would be allotted for construction of 70 houses, i e 17_2 Blocks of 4 Units each at an estimated cost of Rs 8,000/- as per the enclosed detailed estimate

The Corporation have resolved that the above sum of Rs 1 4 lakhs would be repaid in 10 yearly instalments with interest at 4_2% Necessary provision for repayment of instalment amount and interest will be made in the Corporation Budget

As the construction would be undertaken by the Corporation under the supervision of the Corporation Engineer, the recovery fee of Rs 10/- per house may not kindly be insisted upon I may also state that as the loan is being advanced to a body like Corporation there may not be any necessity of getting a mortgage bond executed

I request that in the above circumstances arrangements may kindly be made to disburse the loan as already sanctioned by the Government
